Mr. Ralph Sciocchetti,

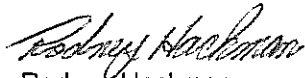

I would like to again thank Bradley Sciocchetti for the exceptional service provided to the VA Medical Center in Lebanon, Pennsylvania during the inspection by the VA contracted ACCE Facilities Management Services and Boiler Efficiency Institute on 8/16/10 thru 8/18/10. The inspection was an overwhelming success (we aced it, no deficiencies) due to your technical assistance and the dedication, and professionalism of your staff.

I would like to thank everyone involved in this project including Paul Syfrit and the service department, Albert Hallowell and all his crew, and the office staffs involved, and hope you will relay this thank you to all those professionals.

I would also like at this time to personally thank and commend John Rex and Kevin Howell for their exceptional performance and dedication during the preparation for the inspection and assistance during the inspection.

I look forward to future projects with Bradley Sciocchetti due to our continued outstanding trust and professional relationship with your company.

Again, thank you very much,

Rodney Hackman
